

ESCRIMEUR YOUTH CUP 2016-2017 SERIES

Point System

DEFINITIONS

MaxPnts	Maximum awarded points per event
EvntXRatio	Event size ratio
NEnts	Number of entries per event
PI	Place accomplished

GENERAL

Escrimeur Fencers Club Point System is a modified prototype of the **USFA RRPS** (Regional Ranking Point System). The objective is to provide youth (Y8, Y10, Y12 and Y14) fencers with a measured competitive fencing experience in a series of USFA-sanctioned tournaments with participants from a variety of fencing clubs and of various skill levels.

Fencers will fence in **Y8, Y10, Y12** and/or **Y14** age groups of mixed or gender-separate event arrangements. Each participant will earn a certain number of Escrimeur Youth Cup Points at each event throughout the series.

CALCULATIONS

The maximum number of points (**MxPnts**) awarded per event will be based on the age group bracket and the size of event with 10 or more fencers:

Age Group	MxPnts
Y8	50
Y10	50
Y12	100
Y14	200

Points are prorated for events with fewer than 10 fencers by a factor of **EvntXRatio**:

$$\mathbf{EvntXRatio = NEnts / 10}$$

Points earned at each event will be calculated as follows:

$$\mathbf{((NEnts - PI + 1) / NEnts) \times MxPnts \times EvntXRatio}$$

Thus, 1st place earns the maximum number of **Points**, while all consecutive places will earn the corresponding number of **Points** calculated using the formula above. Results with decimal points will be rounded up.

EXAMPLES

Y10 event with 10 fencers:

$$1 = 50 \times 10/10 = 50$$

$$2 = 45$$

$$3 = 40$$

...

$$10 = 5$$

Y12 event with 8 fencers:

$$1 = 100 \times 8/10 = 80$$

$$2 = 71$$

$$3 = 60$$

...

$$8 = 11$$

Total number of earned **Points** for Escrimeur Youth Cup Series will be a sum of all **Points** earned in each competition, bracketed by specific age group and weapon for those fencers who competed in multiple events within a tournament.
